

John Obremski

Haymarket, Virginia

1971 to Present, Firefighter

Fairfax Volunteer Fire Department, Virginia (since 1978)

Engaged in all areas of firefighting, from structural, to residential to wildland. Also served as a paramedic; currently a licensed EMT-B. Presently certified in Swift Water Rescue Operations, Rescue Engine Operations (Squad), Fire Officer I and Fire Instructor I.

1973 to 2007, Senior Program Manager, Law Enforcement

Federal Bureau of Prisons, Federal Prison Industries,
Washington, DC

Responsible for providing work opportunities inside federal prisons for the inmate population. Worked primarily in the Electronics Division making products for the US military. Examples include cable assemblies and wiring harness, power distribution equipment, floodlights, field lighting, aircraft wiring, flack jackets and Kevlar helmets. Supervised 200 staff and 2300 inmate workers. Also supervised the construction of fourteen factories along with equipment layout.

Involved in all areas of government contracting and frequently chaired source selection committees for multi-million dollar awards.
